Fast

Print full colour signs and labels in one pass at a top speed of 150 mm per second. That makes the BradyJet J5000 Colour Label Printer a great peripheral tool for any company that needs to quickly add or renew indoor safety signs, lean labels or pipe markers.

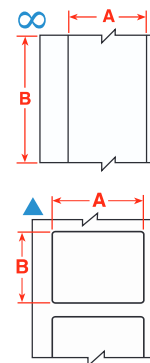

Durable

The BradyJet J5000 Colour Label Printer prints on Brady's durable B-2595 vinyl and B-2569 polyester sign and label material range. These labels feature a topcoat that enhances the colour and label appearance, and protects your print from smudging and harsh conditions. The labels have been tested to withstand exposure to liquids, alcohol and chemicals. Available in sizes ranging from 55.00 to 203.20 mm for the BradyJet J5000 Colour Label Printer.

Create full colour rigid signs with BradyJet

Full colour high resolution messages succeed best in attracting people's attention which is incredibly important to warn co-workers for potential dangers with safety signs. Brady now offers a practical kit in addition to the BradyJet J5000 Colour Label Printer to combine the advantages of full colour messaging with the extra durability and abrasion resistance of rigid signs.

Order Reference	Article No.	Description
J5000-Rigid Kit	197200	Rigid Signs Panel Kit for BradyJet J5000

This kit includes one each of the following parts:

Order Reference	Article No.	Description	Width A (mm)	Height B (mm)	Length B (m)	Quantity

J50-265-2595	148659	Vinyl Labels for J5000 Printer	178.00	254.00	-	100
J50C-8000-2595	148663	Continuous Vinyl Tape for J5000 Printer	203.00	-	30	1

Compatible with BradyJet J5000 printer.

Print your own Lockout procedures in full colour

Lockout/Tagout procedures can save lives during maintenance by offering complete and precise steps on how to isolate machines from their energy supply. For optimal compliance, these procedures should be attached to the relevant machinery. A practical way to do this, is designing the procedure in the Lockout Writer app from Brady Workstation and print it with the BradyJet J5000 Label Printer in full colour on durable materials.

J5000-BWS-LOW-UK	197202	BradyJet J5000 Colour Label Printer - UK with Workstation Lockout Writer CD
J5000-BWS-LOW-US	197203	BradyJet J5000 Colour Label Printer - US with Workstation Lockout Writer CD

Includes the Brady Workstation Basic Design Suite as standard - <http://workstation.bradyid.com/>

Add outdoor durability with the new laminates!

The BradyJet J5000 Colour Label Printer is able to quickly print full colour signs and labels with indoor durability. By applying a laminate, these on-site printed full colour signs and labels can be given 3 year outdoor durability, considerably expanding the printer's applications. 4 sizes of laminates can be applied, and each laminate is 12 mm wider than its corresponding label material for easier application of the laminate.

Order Reference	Article No.	Description	Width A (mm)	Length B (m)
LAM-6000-910	149257	Overlamine for J5000 Printer	165.00	36
